Habitat Heaps

Your Garden

Your Food

Building a pond

Food, water, shelter  
for Nature/Plants

Maintenance Crew

Garden Crafts

Week 1	AUTUMN 1 Structure	AUTUMN 2 Nurture	RSPB Application
Lesson 1	LAWSS/Q&A	Sensory Site Visit	Plant Safari
Lesson 2	Seed Cycle/ Garden Design	Seed Collect	(Draw pics or collage insects of in a specific area)
Week 2			
Lesson 1	PPE and Safety	Plant types and Climates	Sensing the world
Lesson 2	Tools Types	Garden Design – Tree/Fence and a Path	(Make a smelly cocktail )
Week 3			
Lesson 1	Tool Demonstration and Usage	<b>Prepare, plant and care previous</b>	Habitat Pile/food/homes for wildlife
Lesson 2	<b>Tool Demonstration and Usage</b>	Prepare, plant and care previous	(photos)
Week 4			
Lesson 1	Tools in action Garden jobs	<b>Sowing – Garlic and Winter Salad</b>	Composting – photo, drawing or writing
Lesson 2	<b>Tools in action – Garden jobs</b>	Sowing – Garlic and Winter Salad	
Week 5			
Lesson 1	Tools in action Garden jobs	Tree Planting	Planting for wildlife– photo or write
Lesson 2	<b>Tools in action – Garden jobs</b>	Tree Planting	
Week 6			
Lesson 1	Shed time – Storage and Clean Down	Greenhouse – Check, clean, harvest and on going care	Collect Evidence – complete Certificates
Lesson 2	Shed Time /Garden Time– Celebration, Awards and small pyrotechnical experience		

Week 1	AUTUMN 2 Structure	AUTUMN 2 Nurture	RSPB Application
Lesson 1	LAWSS/Q&A	Sensory Site Visit	Plant Safari
Lesson 2	Seed Cycle/ Garden Design	Seed Collect	(Draw pics or collage insects of in a specific area)
Week 2			
Lesson 1	PPE and Safety	Plant types and Climates	Sensing the world
Lesson 2	Tools Types	Garden Design – Tree/Fence and a Path	(Make a smelly cocktail )
Week 3			
Lesson 1	Tool Demonstration and Usage	<b>Prepare, plant and care previous</b>	Habitat Pile/food/homes for wildlife
Lesson 2	<b>Tool Demonstration and Usage</b>	Prepare, plant and care previous	
Week 4			
Lesson 1	Tools in action – Shed roof and water butts	<b>Sowing – Tulip, Snowdrops/bluebells and Daffodils and fruit canes</b>	Composting – photo, drawing or writing
Lesson 2	<b>Tools in action – Shed roof and water butts</b>	<b>Sowing – Tulip, Snowdrops and Daffodils and fruit canes</b>	
Week 5			
Lesson 1	Tools in action – Shed roof and water butts	<b>Food for Birds</b>	Planting for wildlife– photo or write
Lesson 2	<b>Tools in action – Shed roof and water butts</b>	Food For Birds	Food for wildlife
Week 6			
Lesson 1	Shed time – Storage, Clean Down, care when not there	Greenhouse – Check, clean, harvest and on going care	Collect Evidence – complete Certificates
Lesson 2	Shed Time /Garden Time– Celebration, Awards and small pyrotechnical experience		

Week 1	Spring 1 Structure	Spring 1 Nurture	RSPB Application
Lesson 1	LAWSS/Q&A	Sensory Site Visit	Plant Safari
Lesson 2	Seed Cycle/ Garden Design	Seed Collect	(Draw pics or collage insects of in a specific area)
<b>Week 2</b>			
Lesson 1	PPE and Safety	Plant types and Climates	Sensing the world
Lesson 2	Tools Types	Garden Design – Tree/Fence and a Path	(Make a smelly cocktail )
<b>Week 3</b>			
Lesson 1	Tool Demonstration and Usage	<b>Prepare, plant and care previous</b>	Habitat Pile/food/homes for wildlife
Lesson 2	<b>Tool Demonstration and Usage</b>	Prepare, plant and care previous	
<b>Week 4</b>			
Lesson 1	Tools in action – Natural Fence Build and garden jobs	<b>Sowing – Chillies, sweet peas, basil, mushrooms</b>	Composting – photo, drawing or writing
Lesson 2	<b>Tools in action – Natural Fence Build and garden jobs</b>	Sowing – Chillies, sweet peas, peas basil, mushrooms	
<b>Week 5</b>			
Lesson 1	Tools in action – Natural Fence Build and garden jobs	<b>Sowing – Chillies, sweet peas, basil, mushrooms</b>	Planting for wildlife– photo or write
Lesson 2	<b>Tools in action – Natural Fence Build and garden jobs</b>	Prepare, plant and care previous	Food for wildlife
<b>Week 6</b>			
Lesson 1	Shed time – Storage, Clean Down, care when not there	Greenhouse – Check, clean, harvest and on going care	Collect Evidence – complete Certificates
Lesson 2	Shed Time /Garden Time– Celebration, Awards and small pyrotechnical experience		

Week 1	Spring 2 Structure	Spring 2 Nurture	RSPB Application
Lesson 1	LAWSS/Q&A	Sensory Site Visit	Plant Safari
Lesson 2	Seed Cycle/ Garden Design	Seed Collect	(Draw pics or collage insects of in a specific area)
Week 2			
Lesson 1	PPE and Safety	Plant types and Climates	Sensing the world
Lesson 2	Tools Types	Garden Design – Tree/Fence and a Path	(Make a smelly cocktail )
Week 3			
Lesson 1	Tool Demonstration and Usage	<b>Prepare, plant and care previous</b>	Habitat Pile/food/homes for wildlife/Pond
Lesson 2	<b>Tool Demonstration and Usage</b>	Prepare, plant and care previous	
Week 4			
Lesson 1	Tools in action – Natural Fence Build and garden jobs	<b>Sowing – (plugs) Lobelia, fuschias, bacopa ivy, dichondra and potatoes plant out, spring onions</b>	Composting – photo, drawing or writing
Lesson 2	<b>Tools in action – Natural Fence Build and garden jobs</b>	<b>Sowing – (plugs) Lobelia, verbena, fuschias,ivy, dichondra and potatoes (chit), spring onions</b>	
Week 5			
Lesson 1	Tools in action – Natural Fence Build and garden jobs	<b>Sowing – (plugs) Lobelia, verbena, fuschias,ivy, dichondra and potatoes (chit), spring onions</b>	Planting for wildlife– photo or write
Lesson 2	<b>Tools in action – Natural Fence Build and garden jobs</b>		Food for wildlife
Week 6			
Lesson 1	Shed time – Storage, Clean Down, care when not there	Greenhouse – Check, clean, harvest and on going care	Collect Evidence – complete Certificates
Lesson 2	Shed Time /Garden Time– Celebration, Awards and small pyrotechnical experience
